**NETAPHOR TO PARTICIPATE IN SOLUTION CITY 2008 ROADSHOW
SPONSORED BY KONICA MINOLTA GERMANY**

SiteAudit Version 2.0 Featured in the Cost Optimization Solution Category

Irvine, Calif. – (March 28, 2008) – Netaphor Software, Inc. (www.netaphor.com) announced today that it will be participating in the upcoming Solutions City 2008 roadshow sponsored by Konica Minolta Business Solutions Deutschland. Targeted for medium-to-large enterprise organizations, the roadshow will be held in April 2008 in four cities across Germany.

Now in its second year, Solutions City includes exhibits and seminars covering a range of topics including document management, enterprise content management, print cost optimization and printer fleet management.

Netaphor will be demonstrating its SiteAudit print management software as part of Konica Minolta's Intelligent Document Consulting (iDoc) framework. SiteAudit is designed to help customers identify, reduce and manage the cost of printer assets.

About Netaphor

Founded in 1997 and headquartered in Irvine, Calif., Netaphor Software, Inc. develops and sells asset management tools that help companies control printer costs. The company's flagship product, SiteAudit, is the industry's first software suite to identify, reduce and manage printer costs, saving organizations up to 30 percent during the printer asset lifecycle. SiteAudit customers include organizations in the pharmaceutical, industrial, technology and education industries including Northrop Grumman, Gotenberg City, Papyrus Paper, Spectrum-Health, Prometheus Labs, and Invensys PLC.
